WDSGlobal will take over an entire building in Kirkland, leasing the 63,000-square-foot 405 Office Plaza facility.

Officials at [Grubb & Ellis Co.](#), which handled the lease, said WDSGlobal will consolidate its three separate Kirkland operations into the building, located at 10809 120th Ave. N.E. in Kirkland. They added that the building used to be the headquarters of [Costco Wholesale Corp.](#), which now has its headquarters in Issaquah.

The building will be renamed the WDSGlobal building. WDSGlobal, based in Poole, England, makes wireless data products and employs 400 in the Kirkland area, according to Grubb & Ellis.
